Dear Parent or Guardian:

Each year, every school district in Michigan is required to report student data by race and ethnicity categories set by the U.S. Department of Education (U.S. ED) to the Michigan Department of Education (MDE). In 2007, U.S. ED released guidance regarding the collection and reporting of student race and ethnicity data. The guidance instructs school districts to collect race and ethnicity data utilizing a two-part question format. This change allows individuals to more accurately identify themselves given the increasing diversity of the nation's population.

With the new reporting format, you will need to update your child's data. Starting with the 2010-2011 school year, all schools in Michigan will collect race and ethnicity data using the two-part question format. These reports help keep track of changes in student enrollments and ensure that all students receive the educational programs and services to which they are entitled.

Please update your child's data by completing the enclosed form and return it to the appropriate school building. If we do not receive a response from you, an employee of the school district will be required to provide this information based on observation. Federal regulations do not permit school districts to leave the question blank.

Sincerely

Dr. Ryan Cunningham
Superintendent of Central Lake Public Schools

At Central Lake Public Schools, students will use their Google Workspace for Education accounts to complete assignments, communicate with their teachers, sign into their Chromebooks, and learn 21st century digital citizenship skills.

The notice below provides answers to common questions about what Google can and can't do with your child's personal information, including:

Google may also collect personal information directly from students, such as a telephone number for account recovery or a profile photo added to the Google Workspace for Education account.

When a student uses Google services, Google also collects information based on the use of those services. This includes:

In Google Additional Services, Google uses the information collected from all Additional Services to provide, maintain, protect and improve them, to develop new ones, and to protect Google and its users. Google may also use this information to offer tailored content, such as more relevant search results. Google may combine personal information from one service with information, including personal information, from other Google services.

Does Google use student personal information for users in K-12 schools to target advertising?

Can my child share information with others using the Google Workspace for Education account?

We allow students to access Google services such as Google Docs and Sites, which include features where users can share information with others or publicly. When users share information publicly, it may be indexable by search engines, including Google.

Will Google disclose my child's personal information?

Google will not share personal information with companies, organizations and individuals outside of Google unless one of the following circumstances applies:

- With parental or guardian consent. Google will share personal information with companies, organizations or individuals outside of Google when it has parents' consent (for users below the age of consent), which may be obtained through Google Workspace for Education schools.
- With Central Lake Public Schools. Google Workspace for Education accounts, because they are school-managed accounts, give administrators access to information stored in them.
- For external processing. Google may provide personal information to affiliates or other trusted businesses or persons to process it for Google, based on Google's instructions and in compliance with the Google Workspace for Education privacy notice and any other appropriate confidentiality and security measures.
- For legal reasons. Google will share personal information with companies, organizations or individuals outside of Google if it has a good-faith belief that access, use, preservation or disclosure of the information is reasonably necessary to:

 - protect against harm to the rights, property or safety of Google, Google users or the public as required or permitted by law.

Google also shares non-personal information -- such as trends about the use of its services -- publicly and with its partners.

What choices do I have as a parent or guardian?

First, you can consent to the collection and use of your child's information by Google. If you don't provide your consent, we will not create a Google Workspace for Education account for your child, and Google will not collect or use your child's information as described in this notice.

If you consent to your child's use of Google Workspace for Education, you can access or request deletion of your child's Google Workspace for Education account by contacting Mr. Larry Rager, K-12 Principal, 231-544-3141. If you wish to stop

CENTRAL LAKE PUBLIC SCHOOLS

Consent for Disclosure of Personally Identifiable Information and Immunization Information to Local and State Health Departments

Immunizations are an important part of keeping our children healthy. Schools and State and Local health departments must monitor immunizations levels to ensure that all communities are protected from potentially life-threatening diseases and, if necessary, respond promptly to an emerging public health threat. It is important that disease threats be minimized through the monitoring of students being immunized.

Sharing immunization and personally identifiable information including the student's name, date of birth, gender and address with local and state health departments will help to keep your child safe from vaccine preventable diseases. The Family Educational Rights and Privacy Act (FERPA), 20 U.S.C. & 1232g, requires written parental consent before personally identifiable information and immunization information from your child's education records is disclosed to the health department. If you child is 18 or over, he or she is an "eligible student" and must provide consent for disclosures of information from his or her education records.

You may withdraw your consent to share this information in writing at any time.

I authorize CENTRAL LAKE PUBLIC SCHOOLS to release my child's immunization record and personally identifiable information to the Michigan Department of Health and Human Services and Local Health Department. I understand this information will be used to improve the quality and timeliness of immunization services and to help schools comply with Michigan Law. This includes any immunization information and limited personally identifiable information from the school.
